Dear Shirley, Joe, + Garry,

France
Sept 15, 1944

Sorry that you were pined about me not writing, Sher, but there wasn't always time to write to everyone and I considered any letter I wrote for everyone no matter who it was addressed to. OK?

This afternoon our platoon played the 1st platoon a game of football and though we put up a good fight, the final score was in our opponents favor. A Red Cross truck came again with coffee and donuts. They also had a piano + we had a gay time singing. Some of us even danced with the ARC's.

Last night we saw a M. S. O. show that was quite good. Our 104th division band was on hand too and they are terrific! Best regards to all.

Love, Hersh
