Dear Hersch:

Today is the BIG DAY after Nov. 7th, PRESIDENTIAL ELECTION. and ROOSEVELT is in again for the FOURTH TERM! What excitement there has been since 10:30 last night and they are still bringing in returns, but the Presidency is assured for Mr. F.D.R.

Whenever you write ask for candles as they cannot be mailed without your request.

Got a letter from home and mother received your two letters, and were they thrilled to get two at a time. We will send the salomi and candles out this week. Have you received the stationery and stamps yet? I sent them and hope you receive them soon. Sure hope you have made yourselves comfortable in your pup tent now. I imagine you can get in touch with Sonny through the Red Cross somehow, I understand he is in the 100th division. Rhya and Maurie will be able to move into their new apartment next Sunday-the 12th, if Mrs. Drubych finds a four room for herself somewhere in that neighborhood, otherwise they will wait until she finds one as they cannot let her live in that big apartment alone. Maure, Rhya, Flo, Leo, Ben and myself are going to a lecture at the Max Strauss Center (J.P.I.) to hear the famous Psychologist Mr. Dciher talk on Marriage and Sex. Last week he spoke on Economics and everyone enjoyed it so much they decided to go to all of his lectures every Wed. during the Winter. Aunt Ida has been feeling much better and Uncle is swell too. They hear from Sonny as often as we hear from you, or about as often. Bernard is still in the States going to school. Uncle Willie and Aunt Helen are leaving for L.A. and asked mother to get them a room. She'll really have company NOW! Mother still sees Mr. Solof although she didn't have him come to Bea's house when she gave a dinner in honor of Gerry's birthday. Bea's aunt, I think I told you met a man and married him in two days, well she is extremely happy and she was there. She says that this is really the first time in her life that she is content. Wish mother could ~~make~~ make up her mind too! Haven't been doing much with my time as I am still keeping two jobs and altho I don't cook when I get home the days and nights just fly by so fast I accomplish nothing. How about some T shirts. Do you have enough? So much for now Hershey Boy-and GOOD LUCK. Say hello to your Buddy. LOVE
Sarah and Ben.
