

11/12/44

Dear Hersh:-

I had the Salome all packed & ready to ship but somehow misplaced your request so we will have to wait now until I hear from you. Am sending candles too which you can cut up and use for hours at a time. But ask for them too again.

Everyone is fine and we are all thrilled over the results of the Election & tickled the people feel that Roosevelt is still the man for the White House. There was quite a bit of excitement.

Did you get any of our other packages yet?

and anxiety until the final results as it looked pretty close for a while.

Everyone ok Hear from mother regularly. Sher + Joe furnished a 4 room house in L.A. Joe still working in the desert + Sher pretty lonesome. You know her

Les working at a nuclear defense plant in L.A.
One of Rev's sisters (Dora) was married Sun. 11/12

and Ben + I were the only outsiders, so we were the witnesses. Everyone so thrilled for her. He has a daughter in the Wacs + a son in India.

Still attending the lectures. They are wonderful. Phyllis + M are swell as are Rev, Filo + Ma

Rush your request keed so I changed it out to you + infuture write same to each of us so this won't happen again. Regards to your buddy. Love Sarah + Ben
