

Sunday Nov. 26

Dear Husband:

Had a good dinner at Mother's and just addressed more envelopes for her.

Uncle Willie came in, too and has a room in the house Mother lived in before. Aunt Helen will come when Uncle Willie finds an apartment for them.

Mother and all of us are well.

Took the children downtown to see Santa yesterday. All the store windows are decorated very well. And so many people.

Sally and Nat are going to have the family over for Marise's engagement Christmas.

Les did not have to work Thanksgiving and we went to the race track for the first time. The children and

2/ I really enjoyed it.
We did not win any-
thing.

We will have our
turkey Sunday when Joe
comes in and Mother
will have Mr. Solof
at the house.

Don't know when
Aunt Belle and Uncle
Jake will be here.
Waiting to hear from
them again.

It's not easy to
write now. Les and
Uncle Willie are sitting
at the table playing
gin. Pheta is singing
the tune, 'My Bonnie
Lies Over the Ocean', but the
words are "We just
finished breakfast at Sardi's.
David and Mother are
singing the same tune
with the right words
and seeing who gets stuck
first. All this in one
room.

David is showing you how he writes, but could do better. He is getting along well in school now. Pheta is still tops.

Wish you loads of good luck. Hope you will have time to drop ~~you~~ us a line. Always glad to read Mother's mail, too.

Love

Ben & Les

P.S. Mother just told me that Mr. Solo made a prayer for you at Schule Saturday. Every prayer helps and we all join him in praying for your return soon.

I too have ^{Ben} to say hello
Dear son to ^{Love} mother
