

Dear Hersh,

Haven't heard from you for so long! We've been praying hard here. Seems like that's all we can do here in the states. Looks like tough going for you guys. Keep up your hopes and prayers, kid. I just know you fellows are going to finish up the fight this time so you can get back to good old U.S.A. Before long, you'll be playing with blue eyes. Ina David + Rheta. Remember your cousin Patrick? He + Marise are engaged. Had the gang over Christmas. We sure missed you. Played picture charades. Remember? Trying to draw pictures to make your team guess the charades. Did I tell you Stanley said he wrote you several times? Had a letter from Sammy today. He just received my Oct. letters. Hope you've been getting mail. If not you'll have a lot of reading to do one of these days. Have been writing about once a week. Sent some birthday cards for you. Hope you get them. Maurie's team played in the U.S.C. tournament - what tough luck. They lost by one point - 31 to 30. Sullivan

was the lucky team. The public school  
league starts next week. Hope  
he has better luck in the luck.  
league. Their apartment looks very  
nice. They have six rooms. Mrs.  
Lembych is living with them at  
present. She hasn't been too well since  
Ply's father died. Sarah + Ben are O.K.  
Sarah made some delicious sweet +  
sour meat balls. No kidding,  
they are better than mothers.  
Talking about mother, we still haven't heard

definitely whether she is going to say yes  
or no. The Clothiers ~~were~~ are in L.A.  
now too and like it very much.  
They think Mr Sclap is very nice.  
Can't understand why mother is  
hesitating so long. Hope whatever she  
decides, she will be very happy.

If you meet a couple of Browns  
Leo has a nephew from N.Y. up that  
way + you remember Burton? He's  
in a tank corps helping you out  
I hope. Haven't come across Sunny  
yet have you? Guess the territory  
around there is pretty big too.

Sammy is with a prisoner of war det.  
Hope his break continues.

I know you'll write when you can  
+ we keep saying to ourselves, no news  
is good news. Keep 'em fighting, Pal, so you  
can get home real soon! Loads of love  
+ love to all. + love to all.
