

May 5

Dear Mrs. Swartz,

I was glad to hear again from you. I am waiting anxiously for news of Hersh. So many boys from Portland do not get in touch with the folks until they reach New York. That may be the first you will hear and that later time.

I had a nice letter from Bob written Apr. 24th and he still had not received your letter or mine telling about H. at least, he was still hoping for some news. You ask what Bob is doing - how I wish I

knew! I, like all the mothers,
know nothing! So if we have
a lot of questions answered
when we ever get our hands
on the kids - or will we?

I sent on the address of your
cousin.

I am sending on some
snap shots just received. Hersh
took some of them but he never
saw them. Eventually, I would
like them back as we haven't
the films. I would like to
have you keep the two with
Hersh. "Pete" is Arnold.
Bob wrote several times about
these two families (French). I
am sending these to you as I
gather that Hersh's mother is
with you. Hersh is waiting for good
news!
